Questions for Topic-Based Speed Round Table Discussions

Activity Overview: Participants seated at a topic table will answer the questions listed below for that given topic. Each table discussion will be facilitated by a project team member and input will be documented. After 10 minutes, participants will be asked to move to another table, where the exercise will be repeated with a new topic.

Parks, Open Space, and Recreation

1. What new features or facilities would you like to see added to the Guilderland public park system?
2. Are there historical properties or open spaces in Guilderland that are particularly important to you or your family? If so, what activities do you do at those sites?

Transportation and Mobility

1. What would improve the experience of traveling on Western Avenue/US-20 in Guilderland?
2. What changes or improvements to public transportation in Guilderland would motivate you/your family to use it more often?

Economic Growth

1. How should the Town foster local business growth and entrepreneurship?
2. If economic growth occurs in Guilderland, where should that growth be focused?

Neighborhoods and Housing

1. Which neighborhood/area do you live in, and what makes that area of Town special?
2. What should new housing in Guilderland look like?

Agriculture and Environment

1. What role do agricultural land uses such as orchards, tree nurseries and farm fields play in the Town of Guilderland for you and your family and why?
2. Are there elements of the natural environment in Guilderland that you think need special attention, to preserve them for the future?
